Subject: Refurbishment of DeBary Engine 33

BACKGROUND: DeBary Engine 33 is a 2001 Pierce vehicle which is experiencing some significant mechanical issues. To extend the service life of the unit by an additional 3 – 4 years, \$40,000.00 was placed in the DeBary contract for a significant refurbishment of the vehicle. Ten-8 Fire Equipment is the only factory authorized dealer for Pierce vehicles in the Central Florida area. Ten-8 has inspected the vehicle and has provided a cost proposal for the work.

RECOMMENDATIONS: Staff recommends Council to approve a repair cost not to exceed \$35,000.00 with Ten-8 Fire Equipment, approve a single source procurement and waive the bid process in accordance with Section 12.3-29 of the City's Purchasing Code.

ATTACHMENTS: Single Source documentation

FINANCIAL IMPACT: Funds for the project were placed in the DeBary contract and therefore will be paid from the DeBary contract amount
