Subject: Regulation of Second Hand Dealers & Metals Recyclers

BACKGROUND: There were previous discussions from Council regarding the legitimacy and regulatory standards applied to both second hand dealers advertising "We Buy Gold" and metal recyclers who may receive stolen metals such as, but not limited to, jewelry and air conditioner components. Staff explored local second hand dealers and metal recyclers to affirm they observe all state and county regulatory provisions and determined the public would not be better served by establishing additional regulation through local municipal ordinance. Staff is confident current regulatory provisions found within the State of Florida statutes and Volusia County ordinances are adequate and regularly enforced.

RECOMMENDATIONS: Staff recommends not implementing local regulation.
